**NOTICE REGARDING (A) EXECUTORY  
CONTRACTS AND UNEXPIRED LEASES TO BE ASSUMED  
BY THE DEBTORS PURSUANT TO THE PLAN, (B) CURE AMOUNTS,  
IF ANY, AND (C) RELATED PROCEDURES IN CONNECTION THEREWITH**

**PLEASE TAKE NOTICE THAT** on August 21, 2020, the above-captioned debtors and debtors in possession (collectively, the “Debtors”) filed the *Fifth Amended Joint Plan of Reorganization of Frontier Communications Corporation and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 984] (the “Plan”) in the United States Bankruptcy Court for the Southern District of New York (the “Court”).<sup>2</sup>

**PLEASE TAKE FURTHER NOTICE THAT** on August 27, 2020, the Court entered an order confirming the Plan. *See Findings of Fact, Conclusions of Law, and Order Confirming the Fifth Amended Joint Plan of Reorganization of Frontier Communications Corporation and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1005] (the “Confirmation Order”).

**PLEASE TAKE FURTHER NOTICE THAT**, pursuant to Article V.A of the Plan, each of the Debtors’ Executory Contracts and Unexpired Leases not previously assumed or rejected will be deemed assumed as of the Effective Date, other than any Executory Contract or Unexpired Lease that: (1) was previously assumed, assumed and assigned, or rejected by the Debtors; (2) previously expired or terminated pursuant to its own terms; (3) is the subject of a motion to assume, assume and assign, or reject Filed on or before the Confirmation Date that is pending on the Effective Date; or (4) is designated specifically, or by category, as an Executory Contract or

<sup>1</sup> The last four digits of Debtor Frontier Communications Corporation’s tax identification number are 9596. Due to the large number of debtor entities in these chapter 11 cases, for which the Court has ordered joint administration, a complete list of the debtor entities and the last four digits of their federal tax identification numbers are not provided herein. A complete list of such information may be obtained on the website of the Debtors’ claims and noticing agent at <https://cases.primeclerk.com/ftc>. The location of the Debtors’ service address for purposes of these chapter 11 cases is: 50 Main Street, Suite 1000, White Plains, New York 10606.

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Plan.

Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases.<sup>3</sup> **If you are not a counterparty to an Executory Contract or Unexpired Lease with a Debtor, you may disregard this notice.** The purpose of this notice is to provide information regarding the amount and timing of payment of Cure to the counterparties to the Executory Contracts or Unexpired Leases that will be assumed pursuant to the Plan and to ensure that all potential counterparties to an Executory Contract or Unexpired Lease have an opportunity to address any related concerns informally with the Debtors in advance of the Effective Date.

**PLEASE TAKE FURTHER NOTICE THAT** section 365(b)(1) of the Bankruptcy Code provides that “[i]f there has been a default in an executory contract or unexpired lease of the debtor, the [debtor in possession] may not assume such contract or lease unless, at the time of assumption of such contract or lease, the [debtor in possession] . . . cures, or provides adequate assurance that the [debtor in possession] will promptly cure, such default . . .” Accordingly, the Debtors have reviewed their books and records and have determined the amounts required to cure defaults, if any, under the Executory Contract(s) and Unexpired Lease(s), which amounts are listed on **Exhibit A** (for pole attachment counterparties), **Exhibit B** (for carrier service counterparties), **Exhibit C** (for real estate lease counterparties), and **Exhibit D** (for other trade agreements) attached hereto. Please note that if no amount is stated for a particular Executory Contract or Unexpired Lease, the Debtors believe that there is no cure amount outstanding for such contract or lease. Counterparties may be listed on more than one exhibit, so please review all exhibits carefully.

**PLEASE TAKE FURTHER NOTICE** that, pursuant to Article V.D of the Plan, any counterparty to an Executory Contract or Unexpired Lease that believes it is entitled to a Cure payment that is not listed on **Exhibit A**, **Exhibit B**, **Exhibit C**, or **Exhibit D** hereto shall have until thirty days after the Effective Date, which is presently expected to occur early in the second quarter of 2021, to bring forth and File a request for payment of Cure or an objection to a proposed assumption. Upon the occurrence of the Effective Date, the Debtors will send a separate notice that identifies that the Effective Date has occurred.

**PLEASE TAKE FURTHER NOTICE THAT** absent the identification of a dispute, the monetary amounts required to cure any existing defaults arising under the Executory Contract(s) and Unexpired Lease(s) identified on **Exhibit A**, **Exhibit B**, **Exhibit C**, and **Exhibit D** hereto will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by the Debtors in cash on, or as soon as practicable following, the Effective Date.

---

<sup>3</sup> Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the *Amended Schedule of Rejected Executory Contracts and Unexpired Leases* [Docket No. 1309], **Exhibit A**, **Exhibit B**, **Exhibit C**, or **Exhibit D** attached hereto, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Debtor has any liability thereunder. Further, the Debtors expressly reserve the right to (a) remove any Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases and assume such Executory Contract or Unexpired Lease pursuant to the terms of the Plan, up until the Effective Date, and (b) contest any Claim asserted in connection with rejection of any Executory Contract or Unexpired Lease.

**PLEASE TAKE FURTHER NOTICE THAT** payment of disputed Cure amounts will be made following the entry of a Final Order(s) resolving the dispute and approving the proposed assumption.

**PLEASE TAKE FURTHER NOTICE THAT** any objection by a contract or lease counterparty to a proposed assumption must be Filed with the Court on or before thirty days after the Effective Date. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption. Any objection to a proposed assumption will be scheduled to be heard by the Court at the Reorganized Debtors' first scheduled omnibus hearing after which such objection is timely filed. If an objection to the proposed assumption is sustained by the Court, the Debtors may elect to reject such Executory Contract or Unexpired Lease in lieu of assuming it. The Debtors may settle any dispute regarding the amount of any Cure Claim without any further notice to any party or any action, order, or approval of the Court.

**PLEASE TAKE FURTHER NOTICE THAT** any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to Article V.D of the Plan, in the amount and at the time dictated by the Debtors' ordinary course of business or upon and in accordance with any resolution of a Cure dispute (whether by order of the Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty), shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Court.

**PLEASE TAKE FURTHER NOTICE THAT**, notwithstanding anything to the contrary in this notice or any of the exhibits attached hereto, nothing in this notice or any of the exhibits attached hereto shall be deemed: (a) an admission as to the validity of any prepetition claim against any of the Debtors; (b) a waiver of the Debtors' right to dispute any prepetition claim on any grounds; (c) a promise or requirement to pay any prepetition claim; (d) a request or authorization to assume any prepetition agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (e) a waiver or limitation of the Debtors' rights or the rights of any other person under the Bankruptcy Code or any other applicable law. The Plan and the Schedule of Rejected Executory Contracts and Unexpired Leases will govern which Executory Contracts and Unexpired Leases are assumed or rejected. The rights of all parties are reserved to the extent a payment amount differs from the amounts listed in Exhibit A, Exhibit B, Exhibit C, or Exhibit D attached hereto, and such amounts remain subject to adjustment until paid.

**PLEASE TAKE FURTHER NOTICE THAT** if you would like to obtain a copy of the Plan, the Plan Supplement, or any other document filed in these chapter 11 cases, you should contact Prime Clerk LLC, the Solicitation Agent retained by the Debtors in these chapter 11 cases by: (a) calling the Debtors' restructuring hotline at 877-433-8020 (toll-free) or 646-442-5842 (international); (b) visiting the Debtors' restructuring website at: <https://primeclerk.com/ftt>; and/or (c) writing to Prime Clerk LLC, Attn: Frontier Communications, Ballot Processing, c/o Prime Clerk LLC, One Grand Central Place, 60 East 42nd Street, Suite 1440, New York, NY 10165.

You may also obtain copies of any pleadings filed in these chapter 11 cases for a fee via PACER at: <http://www.nysb.uscourts.gov>.

## **EXHIBIT A**

### *Pole Attachment Proposed Cure*

**Note:** A Cure Amount of “TBD” indicates that the Debtors recognize a potential prepetition liability but that the amount is unknown at this time due either to invoices having not been received or to prepetition invoices being disputed. These reconciliations will be handled in the ordinary course of business.

No formal action with the Court is required at this time from any pole attachment partner included in this **Exhibit A**. If you disagree with or have questions concerning the amounts reflected herein, please reach out to your business contact at Frontier. If your concerns cannot be resolved consensually, you will have until thirty days after the Effective Date to file claims or objections, as applicable, to preserve your rights. A separate notice will be sent to inform parties of the occurrence of the Effective Date, which is presently expected to occur early in the second quarter of 2021. At that time, the deadlines identified in the cure notice will become operative. Please note that Cure amounts shown in this **Exhibit A** are only estimates, based on the best available data and the Debtors’ good faith calculations.

## **EXHIBIT C**

### *Real Estate Lease Proposed Cure*

**Note:** A Cure Amount of “Undetermined” indicates that such lease was originally listed on the Schedule of Rejected Executory Contracts and Unexpired Leases and that it is currently undetermined whether such lease will be assumed or rejected.

No formal action with the Court is required at this time from any lease counterparty included in this **Exhibit C**. If you disagree with or have questions concerning the amounts reflected herein, please reach out to your business contact at Frontier. If your concerns cannot be resolved consensually, you will have until thirty days after the Effective Date to file claims or objections, as applicable, to preserve your rights. A separate notice will be sent to inform parties of the occurrence of the Effective Date, which is presently expected to occur early in the second quarter of 2021. At that time, the deadlines identified in the cure notice will become operative. Please note that Cure amounts shown in this **Exhibit C** are only estimates, based on the best available data and the Debtors’ good faith calculations.
